THE MAYOR'S MESSAGE

It affords me the utmost pleasure to welcome all visiting Pipe Bands and Officials to Christchurch to participate in the Dominion Pipe Bands' Contest.

We in Canterbury are particularly gratified that the contest is being held in our Province during our Centennial Celebrations.

Members of Pipe Bands in common with Brass Bands are always willing to assist when required, by playing at important Civic and Public gatherings. Pipe Band music is stirring and marching displays are inspiring and I am sure the contest will provide the Public with an opportunity of witnessing some outstanding displays.

I wish the contest every success.

R. M. MACFARLANE,
Mayor.

CONTEST PRESIDENT'S MESSAGE

In this, the Centennial year of the Canterbury Province it is fitting that the Highland Pipe Bands should be gathering here for their annual contest, for were not the first settlers on the Canterbury Plains Scotsmen?

It is beyond question that the National dress and music of Scotland have an appeal which is almost universal and the presence in any community of the wearers of the kilt is at once an occasion for unalloyed interest and pleasure.

It is fine indeed that the descendants of those doughty Scots who settled in this Dominion should be imbued with the true spirit of Scotland and the desire to carry on her traditions.

On behalf of the Contest Committee I extend to you one and all a most hearty welcome and the wish that your visit to this City will be both pleasant and memorable.

T. M. CHARTERS,
Contest President.

DOMINION PRESIDENT'S MESSAGE

V. J. NICHOLSON

President, New Zealand Pipe Bands Association

It is my pleasure on behalf of the Pipe Bands of New Zealand firstly to extend greetings to the fair City of Christchurch and to the Province of Canterbury at this time of your Centennial celebrations.

We congratulate you on your one hundred years of progress; progress won for you by the toil and sweat of generations of your people.

We hope that as the weeks grow to years and the years build another century that peace and prosperity founded on your faith in God, the future and yourselves will bring you every happiness.

May I assure those who will visit our Pipe Band Contest that they will witness work of the highest order both in music and drill, a standard surpassing anything of its type in the world.

Could I remind you that a Band should be the proud possession of any community; give them the necessary encouragement to serve you, mindful at all times of the months of hard work and unselfish service which goes into the making of a spectacle such as you will witness during this week-end.

We remember those enthusiasts who work behind the scenes to keep their Bands up to a high standard of efficiency and to administer their affairs.

To the contesting Pipe Bands my greetings; I know you will give of your best while in the contesting arena.

I need not remind you that each has the welfare of the New Zealand Highland Pipe Bands Association in his keeping and that by your individual conduct and deportment it will be judged.

The wearing of the kilt and a knowledge of the Highland bagpipe is a privilege given to few; guard it from any abuse.

May your contesting be keen and hard and always conducted in a spirit of friendly rivalry.

Good luck.

V. J. NICHOLSON,

President,

New Zealand Highland Pipe Bands Assn.

HIGH GRADE MEAT PURVEYORS

"Some hae meat, and canna eat,
And some wad eat that want it!
But we hae meat, and we can eat,
And sae the Lord be thankit."

TOAST TO THE TARTAN

Here's to it,
The fighting sheen of it,
The yellow, the green of it,
The white, the blue of it,
The swing, the hue of it,
The dark, the red of it,
Every thread of it.

The fair have sighed for it,
The brave have died for it,
Heroes have fought for it,
Foemen sought for it,
Honour the name of it,
Drink to the fame of it,
The Tartan!
